AMENDED INFORMATION RELATING TO UNIPETROL, A.S. ANNUAL REPORT 2010

UNIPETROL, a.s. informs about amended information in UNIPETROL, a.s. annual report for 2010 (reference to pages relates to graphical version).

1) Third paragraph from the end on page 25 (Czech version only) contains inaccurate terminology of relevant persons. Accurate terminology is:

“Members of the Board of Directors and Supervisory Board and managers do not hold the issuer’s participation securities or options under Section 118 of Capital Market Business Act No. 256/2004 and Article 10 of Commission Regulation (EC) No 809/2004.”

and accurate terminology in last paragraph on page 25 (Czech version only) is:

“The members of the issuer’s governing and supervisory bodies and managers were not involved in transactions outside of the issuer’s scope of business or in other transactions unusual for the issuer in terms of their form, nature, terms and conditions, or subject matter during the current and latest completed accounting periods or in the previous accounting periods.”

English version includes this information on page 25 and it is correct in its original form.

2) In *consolidated financial statements* in the table *Intangible assets* on page 138, in Czech version only, includes inaccurate information. Accurate name of the categories under *Balance as at 01/01/2009* are “Additions/Disposals/Other/FX differences” and under *Balance as at 31/12/2009* are “Additions/Disposals/Reclassifications/Other/FX differences”. English version includes this table on page 138 and it is correct in its original form.
